On November 23, 2004 the Board approved the Residential Roadside Solid Waste Collection, Billing and Delinquent Payment Services Agreement with Waste Management of New Mexico. This First Amendment requires the Contractor to provide 30 cubic yards containers on an as needed basis in the event of an emergency or disaster when contract assistance may be needed for debris removal. ### **STAFF ANALYSIS SUMMARY**

#### **COUNTY MANAGER**

This amendment will allow the County to have immediate availability of roll-off containers for a wide variety of services such as cases of emergency or neighborhood cleanups. I recommend Board approval. TL 6/8/06

#### **DEPUTY COUNTY MANAGER FOR PUBLIC WORKS**

The provision enabled by the First Amendment may be needed to supplement regularly scheduled cleanup efforts initiated for neighborhood and code enforcement events. The original contract limits the number of containers to be made available for County use. The First Amendment expands the containers availability to the County on an as-needed basis. I recommend approval. TW 5/31/06
